General Risk Assessments

The general risk assessments for buildings, kitchen, medical etc. can be found in the folder in the Outer Office.

Risk Checklist – for the Organiser of a Bring and Share Meal

1. Prepare for more than 50 people attending – good weather and bad weather scenarios
2. Ask the people providing the food to produce a full list of ingredients – for allergy sufferers
3. Display a notice explaining that the food is provided by volunteers
4. Remind parents to take care of their children – especially to prevent them running around when people are carrying food or drinks
5. Check the general risk assessments (buildings, kitchen, medical) to see whether any actions are necessary
