

## David's Licensing as Assistant Chaplain

On Sunday 15th September, Archdeacon Peter Hooper will formally license David as Assistant Chaplain. This will take place as a short part of our 'usual' Sunday Eucharist. (This will simply formalise with the Diocese the role David has been doing for some months; it has taken some time to sort out all the formalities).

We will warmly welcome Archdeacon Peter who will also be preaching at the service.

There will be a celebratory glass of wine after the service.
