

Bring and Share Lunch 9th October

On the 9th of October, we are celebrating the Harvest Festival, with another legendary Bring and Share Lunch.

We invite to bring a dish from your home country, or even from your adopted country. We suggest that you cook for 6 portions.

It can be part of the main meal or dessert.

As you are all very aware, we are trying follow our ecological hearts and create dishes using more vegetables, whole grains and beans.

A dish does not have to be entirely meat free, just less.

We look forward to seeing you all on the 9th of October, after Church.

The Charity Committee have also arranged for a talk by Bishop Gaddie Akanjuna from Kigezi who will be our guest preacher.

Looking forward to seeing you on the 9th!

Blessings

Lynn Morgan

Hospitality Coordinator
